Posters at a Glance

Annual CAHSPR Conference

May 26 – 28, 2015 • Pre-Conference Day: May 25, 2015
Hotel Bonaventure (formerly Hilton Bonaventure) • Montreal, QC

Assessing Health System Value in Upstream Health Interventions: A Case Study of Cardiac Rehabilitation and Prevention

Presented by Caroline Beck

A Systematic Review of Primary Care Interventions to Improve Transition of Youth with Chronic Conditions from Paediatric to Adult Healthcare

Presented by Jasmin Bhawra

Trends in Income-Related Health Inequalities in Canada: Alcohol-Attributable Hospitalizations

Presented by Christine Boyes

Implementing a New School-Based Occupational Therapy Service Delivery Model: What Do Stakeholders Say About Access, Service Quality, and Sustainability?

Presented by Chantal Camden

Le raisonnement clinique des ergothérapeutes en Soutien à domicile : importance des aspects administratifs et organisationnels dans le choix des interventions offertes aux clients

Presented by Annie Carrier

Optimiser la performance des ergothérapeutes dans les programmes de soutien à domicile québécois : impacts sur le raisonnement clinique et les interventions offertes

Presented by Annie Carrier

The Effects of a Preoperative Educational Dvd on Parental Participation in Recovery Room: A Randomized Controlled Trial

Presented by Julie Chartrand

Geriatric Syndromes Predict Postdischarge Outcomes Among Older Emergency Department Patients: Findings from a Multinational Cohort Study

Presented by Andrew Costa

A Resilient Nursing Workforce: The Impact of Policy Over Time

Presented by Mary Crea

A Comparison Between Initial and Well Established Implementation Periods of the Ontario Medscheck Annual Pharmacy Medication Review Service

Presented by Lisa Dolovich

Examining Interventions to Address the Transition Gap: A Systematic Review of Youth to Adult Mental Health Services

Presented by Mark Embrett

Meeting the Health Service Needs of Urban Aboriginal Women for Co-occurring Diabetes, Mental Health and Addiction Issues

Presented by Hasu Ghosh

Comprehensive Primary Care Physicians: Who Are They and Whom Do They Serve?

Presented by Rick Glazier

Perspectives en matière de soins de santé selon le public et les fournisseurs et gestionnaires des soins de santé : résultats du sondage sur les soins de santé au Canada 2014

Presented by Amédé Gogovor

Understanding Variations in Health System Efficiency in Canada: A Descriptive Multiple Case Study

Presented by Sara Guilcher

The Patient Medical Home: How do Canadian Primary Care Practices Measure Up to its Ten Goals?

Presented by Nicole Herpai

Changing the Service Delivery Model to Meet Rehabilitation Needs of Young Children (0-3 years): Impact on Service Wait-Times and Staff Perceived Performance

Presented by Karen Hurtubise

A New Service Delivery Model to Improve Access to Orthopedic Surveillance for Children with Cerebral Palsy (CP)

Presented by Karen Hurtubise

Perceived Need, Service Use and Unmet Need for Health Services Amongst a Sample of Socially Marginalized People Who Use Drugs

Presented by Elaine Hyshka

Human Development Focusing on Access to Health Care of South Asian Immigrants Living in the Greater Toronto Area (GTA)

Presented by S. M. Tariqul Islam Islam

The Role of Education in Colorectal Cancer Screening Participation: Evidence from Canadian Community Health Survey (2011-2012)

Presented by Shan Jiang

A How-To Guide for Planning Hospital-to-Home Care Transition Interventions in Older Adults: Findings and Implications of a Realist Synthesis

Presented by Anum Khan

Patterns of Care: Identifying and Describing Pathways During Episodes of Care for Chronic Obstructive Pulmonary Disease Exacerbations

Presented by John Paul Kuwornu

Engaging Patients on Social Media Platforms: Exploring Health and Information Exchange Processes

Presented by Claudia Lai

Where's the 911 for First Nation Peoples Mental Health Services in Manitoba?

Presented by Josée G Lavoie

Creating Partnerships for Change: A Proposal to Study Multi-stakeholder Collaboration Towards Organizational Innovations to Promote Access to Primary Health Care for Vulnerable Populations

Presented by Ekaterina (Katya) Loban

Learning from Each Other to Promote the Health of Older Stroke Survivors Through an Integrated Community-Based Stroke Rehabilitation Team Supported by a Mobile Health Solution

Presented by Nancy Matthew-Maich

Monitoring Drug developments: A Multifaceted Approach

Presented by Greg McComb

Understanding the Health Service Use of Colorectal Cancer Screening among First Nations: Describing the Unfolding of a Project

Presented by Bonnie McIntosh

Cost-Effectiveness Analysis of a Two-Dose HPV Vaccine Using the CRMM-HPVMM Microsimulation Model

Presented by Saima Memon

Primary Care Provider Perceptions of the Challenges of Managing Patients with Mental-Physical Multimorbidity: A Qualitative Study

Presented by Matthew Menear

Measuring Triple Aim Results for a Suburban-rural Population by an Alberta Primary Care Network

Presented by Grace Moe

A Survey Tool to Assess Long Term Care Resident Experience

Presented by Shailesh Nadkarni

Methods to Define Hypertension in Electronic Medical Record-Validation Against National Survey Data

Presented by Mingkai Peng

Drug Use Among Seniors on Public Drug Programs in Canada, 2012

Presented by Jeff Proulx

Cost-Utility Analysis of Therapeutic Drug Monitoring for Asparaginase in Pediatric Leukemia

Presented by Meera Rayar

Mortality Belief, Individual Health Shocks and the Decision to Smoke

Presented by Yan Song

Integrating Health Technology Reassessment into a Complex Healthcare System: Diverse Perspectives from Stakeholders in Alberta Health Services

Presented by Lesley Soril

Predictors of Hospital Discharge to Continuing Care: Exploring the Role of Kidney Function

Presented by Helen Tam-Tham

Physicians Reaching Out: Supporting Youth Mental Health in British Columbia

Presented by Helen Thi

A Study of Low Acuity Emergency Department Use in Regina, Saskatchewan: Incidence, Implications and Intervention

Presented by Tara Todd

Mapping TB Treatment Availability for Refugees and Migrants in Tak Province, Thailand

Presented by Naomi Tschirhart

Inequality by Race/Ethnicity in Survival Improvement of Children with Acute Lymphoblastic Leukemia in the United States and Canada

Presented by Linwei Wang

A Collaborative Approach to Designing Better Care

Presented by Heidi Amernic

Knowledge and Effects of the WHO Global Code of Practice on the International Recruitment of Health Personnel on Health Worker Migration

Presented by Ivy Lynn Bourgeault

Different Patterns of Advanced Access Implemented in Primary Healthcare Practice

Presented by Mylaine Breton

Effects of Family Medicine Groups on Visits to the Emergency Department Among Diabetics in Quebec Between 2000 and 2011: A Population-Based Segmented Regression Analysis of an Interrupted Time Series

Presented by Renee Carter

A Rapid Scoping Review Update for Non-Clinical Interventions for Reducing Unnecessary Caesarean Section

Presented by Innie Chen

The CHOICE Project: Engaging Older Adults in Healthcare Decision-Making

Presented by Jacobi Elliott

Development and Validation of a Decision Aid for Choosing Among Anticoagulants for Atrial Fibrillation

Presented by Safoora Fatima

Provider Perspectives on Facilitators and Barriers to Accessible Service Provision for Immigrant Women with Postpartum Depression (PPD)

Presented by Rebecca Ganann

Bonus Payments for Avoiding Outside Use in Ontario's Leading Primary Care Capitation Model

Presented by Rick Glazier

Planning for Change In Health Care Reform: The Case of Alberta

Presented by Howard Greenwald

Family Physicians' Interactions with Sales Representatives: A Focus Group Study in Three Countries

Presented by Line Guénette

A Comparison of Regulatory Policies Governing the Promotion of Prescription Medicines by Pharmaceutical Sales Representatives in Canada, France and the United States

Presented by Line Guénette

Gender Differences in Primary Care Clinical Activity and Uptake Of Incentive Payments in British Columbia: A Preliminary Analysis

Presented by Lindsay Hedden

Obesity Predicts Differential Rates of Coronary Revascularization Following Cardiac Catheterization

Presented by Jeffrey Johnson

Understanding the Multiple Vulnerabilities and Service Utilization of Homeless Youth: Findings from At Home/Chez Soi

Presented by Nicole Kozloff

Scaling Up iKT? Adapting Integrated KT Strategies to a Large Multi-Jurisdictional Network

Presented by Sara Kreindler

Laying the Foundations for Multi-Jurisdictional Research: Structural and Population Features of Western Canada's Urban Health Regions and Zones

Presented by Sara Kreindler

What Happens When Young and Mid-Life Adults Leave Complex Continuing Care? Patterns of Subsequent Health System Use and Survival

Presented by Kerry Kuluski

Costs of Mental Health Care Services among High Cost Users in Ontario

Presented by Paul Kurdyak

Costs of Health Care across Primary Care Models in Ontario

Presented by Maude Laberge

Effects of Housing First on Employment and Income of Homeless Individuals: Results of a Randomized Trial

Presented by Eric Latimer

The Intersection of Gambling and Substance Use Among Men Facing Homelessness

Presented by Eric Latimer

Abuse in Childhood Substantially Increases the Risk of Later Depression and Anxiety: A Systematic Review of Cohort Studies

Presented by Muzi Li

Change in Quality of Care Associated with Centralization of Elective Orthopedic Surgery Procedures: A scoping review

Presented by Elena Lopatina

"How Appropriate is All this Data Sharing Anyway?": Building Consensus on Electronic Health Information Exchange in Extended Circles Of Care

Presented by Josephine McMurray

Engaging Older Adults in Healthcare Research and Planning: Guidelines from the CHOICE Project

Presented by Heather McNeil

Do Economic Fluctuations Affect the Health Behaviours of Canadians?

Presented by Sandra Milicic

Caring is Sharing: Provider Perceptions of Secondary Use of Anonymized Health Information

Presented by Ester Moher

Healthcare Associated Infections, Infection Prevention & Control: Patient Safety Survey

Presented by Emily Nadolny

Cost-Effectiveness Analysis Comparing Pre-Diagnosis Autism Spectrum Disorder (ASD)-Targeted Intervention With Ontario's Autism Intervention Program

Presented by Melanie Penner

Community General Paediatricians' Barriers to Providing ASD Diagnoses: A Qualitative Study

Presented by Melanie Penner

Impact of Dementia on Diabetes Care Quality in Ontario

Presented by Yelena Petrosyan

The Impact of Quebec Primary Healthcare (PHC) Reform on Patients' Experience Of Care, Unmet Needs and Use of Services

Presented by Raynald Pineault

Episodic Caregiving - The Caregiving Sister That Policy Forgot

Presented by Wendy Porch

Do British Columbians with Major Depression Receive Minimally Adequate Care?

Presented by Joseph Puyat

Design, Implementation and Evaluation of Complex Health Care Interventions in the Community

Presented by Valeria Rac

Structure and Function of Stroke Units in Ontario in 2013-2014

Presented by Valeria Rac

Potentially Avoidable Emergency Department Visits Made by Nursing Home Residents: Refining Current Definitions

Presented by Nadia Reider

The Many Meanings of Patient Engagement: A Unified Framework

Presented by Vidhi Thakkar

Cost-Effectiveness Analysis of Preimplantation Genetic Screening in In Vitro Fertilization

Presented by Daniel Wagner

Administrative Data and Life Course Epidemiology

Presented by Elizabeth Wall-Wieler

Examining the Influence of Organisational and Institutional Arrangements on Priority-Setting for Health Technology Assessment (HTA): A Mixed Methods Study

Presented by Juliana Yi

Les patients ressources, acteurs incontournables dans l'amélioration des soins aux patients ayant vécu une amputation traumatique du membre supérieur

Presented by Josée Arsenault

Participatory Health Councils and Good Governance: Healthy Democracy in Brazil?

Presented by Uttam Bajwa

Quality Indicators for End-of-Life Care in Ontario

Presented by Symron Bansal **Guidelines for the REporting of studies Conducted using Observational**

Routinely-Collected Health Data (RECORD): An Extension of The STROBE Reporting Guidelines

Presented by Eric Benchimol

Identifying Quality Indicators for Palliative and End-of-life Care from Administrative Data

Presented by Suman Budhwani

Introducing an Interprofessional Team for the Management of Stable Rheumatoid Disease to Improve Access to Care

Presented by Paola Charland

A Novel Method for Systematic Evaluation of Health Indicators: Perspectives from a Measures Producer

Presented by Zeerak Chaudhary

Rethinking Traditional Models of Care: Mobile Primary Care in the North

Presented by Deborah Cohen

Health Economic Analysis of Genomic-Informed Approaches for Lymphoid Cancer Management – A Multifaceted Platform

Presented by Sarah Costa

Influence of Electronic Medical Record Implementation on Provider Retirement at a Major Academic Medical Center

Presented by Matthew Crowson

Capturing Activities Performed by Pharmacists in Primary Care Interprofessional Teams in Ontario (FHTs)

Presented by Simone Dahrouge

New Developments in the Policy Context of Migration of Health Professionals from Kenya

Presented by Brenda Dogbey

Health Services Utilization and Costs Associated with Co-Morbidity in Older Adults with Diabetes

Presented by Kathryn Fisher

Psychiatric Medications Prescribed for Adolescents and Young Adults in Western Canada

Presented by Jacqueline Gregory

Laying the Foundation for Primary Care Performance Measurement: Lessons from Ontario

Presented by Wissam Haj-Ali

An Examination of Perceived Healthcare Accessibility and Unmet Healthcare Need Among the City of Toronto

Presented by Jongnam Hwang

Inequalities in Early Child Development in Canada

Presented by Geoff Hynes

Adoption of Evidence-Based Practices by Health Care Organizations: A Scoping Literature Review

Presented by Jennifer Innis

Applying the Children with Special Health Care Needs (CSHCN) Screener to Administrative Health Data

Presented by Dafna Kohen

Health Systems and Other Factors Maternity Care Providers Consider When Counselling Pregnant Women with a Previous Cesarean Section on Delivery Method

Presented by Christine Kurtz Landy

Analyse comparative de caractéristiques de la pratique des médecins de famille dans les cliniques médicales, en fonction du type de région de pratique

Presented by Marc Lemire

Analyse comparative entre les nouveaux et les anciens modèles de clinique médicale : ressources et production des services

Presented by Marc Lemire

Clinical Preventive Services in Primary Care Settings: A Substudy Using Data from the Quality and Cost of Primary Care (QUALICOPC) Cross-Sectional Study

Presented by Gregory Leon

Community Pharmacy Response to a New Provincial Drug Plan Reimbursement Policy

Presented by Linda MacKeigan

A Cross-Provincial Comparison of the Policy Context of Community-based Primary Healthcare Innovations Intended to Influence Performance: Preliminary Results of a Document Review

Presented by Ruth Martin-Misener

Patient Experience with Self-Care Support for Chronic Physical Conditions and Depression: Results of a Randomized Trial

Presented by Jane McCusker

Real-World Cost Effectiveness of Stroke Units in Ontario: A Matched Cohort Analysis

Presented by Petros Pechlivanoglou

Typologie de l'affiliation à un médecin de famille, une mesure construite à partir des banques de données administratives

Presented by Sylvie Provost

Facteurs associés au fait d'avoir ou non un médecin de famille

Presented by Sylvie Provost

Vulnérabilité périnatale et retombées d'un programme de soutien à domicile : regard sur les relevailles (1/2)

Presented by Genevieve Roch

Using Natural Language Processing for Detecting Adverse Events from Electronic Health Record Data: A Validation Study

Presented by Christian Rochefort

The Process of Communicating Policymaking and Research-Based Evidence for Children with Disabilities

Presented by Keiko Shikako-Thomas

The Effect of Electronic Medical Record (EMR) Implementation on Communication Between Pharmacists and Clinicians

Presented by Alexander Singer

Building BRIDGES, Crossing Boundaries: Collaborative Approaches to Learning from Each Other Across Disciplines, Jurisdictions and Generations

Presented by Heather Smith Fowler

L'évolution des urgences au cours des dix dernières années au Québec

Presented by Olivier Sossa

Managing Complexity in Primary Health Care: Developing and Piloting a Person-Centred Mobile Application for Patients with Complex Chronic Disease and Disability

Presented by Carolyn Steele Gray

Aider les patients à retourner au travail après une dépression lorsqu'on est médecin de famille : une pratique sous influence?

Presented by Chantal Sylvain

Hospitalizations and Mortality in Publicly Funded For-Profit and Not-For-Profit Long-Term Care Facilities: A Population-Based Retrospective Cohort Study

Presented by Peter Tanuseputro

Developing Drug Prescribing Profiles for Family Physicians Using Electronic Medical Record Data

Presented by Nirupa Varatharasan

Generic Atorvastatin: The Impact of Physician Detailing and Sampling in Manitoba

Presented by Heather Worthington

Higher Cesarean Delivery Rates are Associated with Higher Infant Mortality Rates in Industrialized Countries

Presented by Shi Wu Wen

Le 'benchmarking' au sein des organisations de réadaptation: l'utilisation d'indicateurs de performance et les facteurs d'influence

Presented by Diana Zidarov
